Student site is for students. Student codes are printed on the cover of every magazine. Each level has different codes.

Online Activities

Features

Benefits

- Read the latest news.
- Students can read the same story in differentiated levels to suit their needs and abilities.
- Comment on stories.

- Students of different abilities can all read the same story, meaning that - they can stretch themselves by reading version in a higher level where available.
- News stories help students to practice their reading skills and provide key cultural insights.
- Commenting on stories gives students the chance to practice their comprehension and writing skills.
- Students can comment on other comments too which provides a great opportunity for peer review.

- Watch the real-life videos.
- Video with every issue.
- Each video will come with:
 - Transcript
 - Linked online activities
 - Opportunity for students to comment on each video.

- Videos of real teens (native speakers of the target language) introducing students to their culture and talking about topical issues linked to magazine content.
- They allow students to practice their listening and comprehension skills and provide an insight into the real-life usage of another language.
- Linked online activities will enable students to practice what they have learnt.
- Transcripts allow students to read-along or check any words or phrases they're unsure of.
- Commenting on videos gives students the chance to practice their comprehension and writing skills.

In each magazine you can find an article related to VIDEO activity. Look for this symbol  in your magazine!

Video pages are sometimes delayed due to rights and permissions issues. We apologise in advance for any inconvenience this may cause.

Features

Benefits

Only English available.
Chatter is available for 11-18 years old students.

- Live chat with English students.
- It is fully moderated by English Coach to ensure students safety.

- Chatter gets students practicing their language skills for a real purpose.
- Students write short messages to other students around the world.
- This modern-day equivalent to pen-pals, will get students to understand the key communicative benefits of speaking another language.

German is not available.

- Student can write their own news stories.
- A fantastic way to build confidence and consolidate knowledge.

- Students can practice the language they are learning by submitting a piece of work in the target language.
- This could be in a variety of forms: text with pictures, video or, even audio.
- This helps to develop students' skills and boosts their confidence when they see their story published online.
- Students can comment on one another's work, which provides an opportunity for peer review.

In each magazine you can find an article related to audio activity. Look for this symbol 

- You can find our latest issues and resources linked to each magazine.
- Linked resources include: –
- Audio -MP3 listening tracks
 - Transcripts (CD booklet)
 - Listening activities worksheet & writing activities.

- Each issue is accompanied by listening tracks, presented in a lively radio show-style format.
- Full transcripts (CD booklet) to accompany the listening tracks are downloadable.
- Suggest: Listening activity worksheets can be downloaded for students to complete when listening to the audio tracks. These help students with their listening comprehension.
- The worksheets also allow students to do write their comment on the topic and it allows them to develop their thoughts and writing skills.

<h1>Online Activities</h1>	<h1>Features</h1>	<h1>Benefits</h1>
